<p>List concerns/barriers to progress.</p> <p>Things have gone well. New relationships are forming. Each meeting is productive since committee members are dependable in completion of assignments. Committee members are beginning to work as a team.</p>	
<p>What additional support do you feel you will need from CCC during the next quarter?</p> <p>We are grateful for the attendance and participation of Tom and Kay. I appreciate Kay since she is the recorder for the group. Her high level of involvement and dependability allows the committee to make good progress with each meeting. Tom's help is invaluable in clarification of issues. We would not have accomplished those items listed above without their participation.</p>
