Love allows children  
to grow through  
their mistakes.  
Logic allows them  
to live with the  
consequences of  
their choices.

## WHAT IS THE LOVE AND LOGIC APPROACH ALL ABOUT?

The Love and Logic Institute is dedicated to making parenting and teaching fun and rewarding, instead of stressful and chaotic. They provide practical tools and techniques that help adults achieve respectful, healthy relationships with their children and help them prepare their kids for the real world. All of their work is based on a psychologically sound parenting and teaching philosophy called Love and Logic®.

## WHY DOES IT WORK?

- Uses humor, hope, and empathy to build up the adult child relationship
- Emphasizes respect and dignity both for children and adults
- Provides real limits in a loving way
- Teaches consequences and healthy decision-making

## JEDD HAFER

Jedd Hafer is a gifted writer, humorist and communicator. Jedd Hafer is in high demand around the country as a presenter from the Love and Logic Institute®.

For more than 16 years he has worked with severely troubled kids as a director at Children's ARK, one of the most innovative and caring treatment centers in the western region where he has witnessed time and again how effective Love and Logic® can be with kids who possess behavior problems. Jedd and his wife are the parents of 4 kids, two who are adopted out of the foster care system. His experience with kids with extreme challenges fuels his flair for training staff and parents in the Love and Logic® skills that will help adults become less stressed and kids become more responsible. He has presented at conferences, staff trainings, and PTAs. His audiences include teachers, childcare professionals, probation officers, corrections staff, churches, law enforcement personnel, corporate personnel, social workers and parents.

As a former touring professional comic, Jedd's presentations are always filled with humor and passion.
